Galatians 6:9

The Rector writes....

"As long as the earth endures, seedtime and harvest, cold and heat, summer and winter, day and night will never cease."

Genesis 8:22

Harvest time is upon us once again - but for the Church it is going to be a rather strange Harvest. We keep saying 'because of Covid-19 things are different' - and that is true, but for us as a Church we won't have our usual Harvest Thanksgiving Services (details of what we are doing can be found on next page).

The smells and displays of Harvest Thanksgiving in St. Andrew's and in Bush Protestant Hall will just not be the same this year. However, does this mean that the Harvest has not taken place? Of course it has. Scripture reminds us that in God's faithfulness of fulfilling His promise that "As long as the earth endures, seedtime and harvest... will never cease". For this, we have a lot to be thankful. As hymn 39 describes "For the fruits of His creation, Thanks be to God!"

In order for there to be a harvest, there has to be preparation. The ground has to be prepared, the seed sown, watered and nurtured as it grows, and then the produce appears ready for Harvesting. This is not unlike the work of the Church. It is our responsibility to spiritually prepare the ground, sow the seed, and water and nurture, all in preparation for the Great Harvest. This Harvest is when Jesus will return.

During the past number of months the way in which we prepare, sow and nurture has been very different to how we 'normally' do it, but that doesn't mean that this work has stopped. In fact it is far from it. The way in which we work as a Church may be different, but the work continues. The way we communicate the Gospel Message has changed, but the message has remained the same.

Jesus is the Lord of the Harvest and He has promised that He will return. Just like the farmer gathers the crops, Jesus will gather everyone who has accepted Him as their Saviour and bring them to Heaven. This is an event that we cannot stop, and that we will not miss. The question remains - When Jesus returns will you be gathered by Him or left behind?

*Even so, Lord quickly come, to thy final harvest home
Gather thou thy people in, free from sorrow, free from sin;
There forever purified, in thy presence to abide:
Come with all thine angels come, raise the glorious harvest home.*

A Prayer for the Parish

Heavenly Father,
pour out your Spirit upon the people of our parish
and upon those who are in positions of leadership and ministry.
Forgive us our many sins and draw us nearer to you.
Grant us a new awareness of your Presence,
a new experience of your Power, a new understanding of your Word,
and a new commitment to your Service.
Open our eyes to the opportunities you give us,
open our ears to hear your call,
open our hearts to your love that we may serve you.
Grant us faith to believe,
and strength to do your will now and always.
We ask this through Jesus Christ our Lord. Amen.

Bible Sunday

25th October 2020

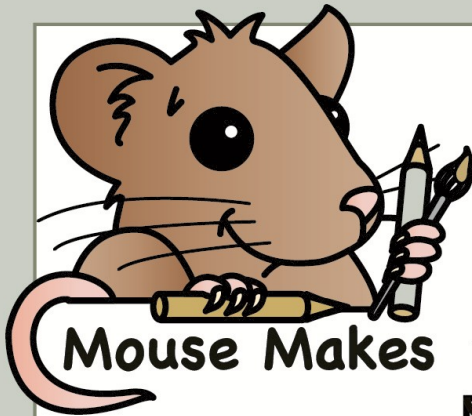

As we acknowledge Bible Sunday this month, it's a good opportunity to ask the question: ***why should I read the Bible?***

The Bible is the world's best-selling book of all time. However, it isn't one book, but a library of 66 books, composed by some 44 writers over a period of 1500 years in a range of literature including history, poetry, prophecy, letters and apocalyptic (end times). Despite having a number of different writers, the Bible claims one author: God himself!

This is the basis of the unity of its message and authoritative claim to be the primary way by which God speaks to us: *'All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the man of God may be thoroughly equipped for every good work'* (2 Timothy 3:16). The Bible is inspired (*'the word of God in the words of men'*) and presents itself as a ***manual for life***, equipping us to live for God in every aspect of our lives. We also have the promise of the Holy Spirit to guide us in applying the words to our lives: *'the Spirit will guide you into all truth'* (John 16:13).

However, the Bible could also be described as a ***love letter*** from God, as He uses it to deepen our relationship with him. As Jesus said: *'You diligently study the Scriptures because you think that by them you possess eternal life. These are the Scriptures that testify about me'* (John 5:39,40). Christians follow a person not a book, and the Scriptures are intended to help us to know Jesus better.

At her coronation the Queen was given a Bible with the words ***'the most precious thing this world affords'***. Does this reflect our own attitude to the Bible?

The **Bible** is a collection of **books** that took over 2,000 years to write!

The books were written by many different people, all helped and inspired by God. The Bible has books about:

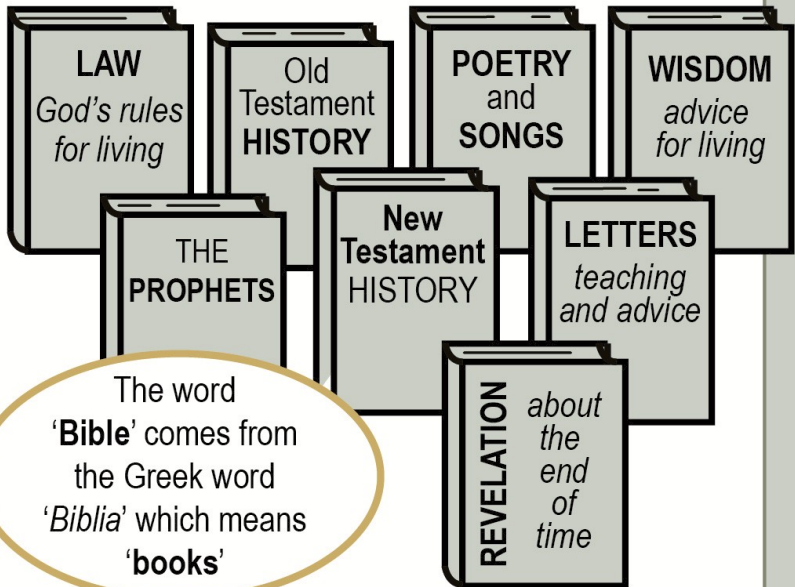

There are **66** books in the Bible. How many can you name?

The word '**Bible**' comes from the Greek word '*Biblia*' which means '**books**'

God speaks to us today as we read the Bible. The Bible encourages us, corrects us and shows us how to live, it also describes itself as:

James 1:23

Food
Hebrews 5:12- 6:1

Honey and Gold
Psalm 19:10

Psalm 119:105

Jeremiah 23:29

Jeremiah 20:9

Ephesians 6:17

...but most of all The Bible teaches us about **God** and how we can be friends with Him.

Who authorised the Bible?

Question: If it was the Church that finally decided which books should be included in the Bible, then isn't the Church the top authority?

Answer: No; the Bible produced the Church, not the Church the Bible. This is the real issue: what caused a book to be accepted within the 'Canon' of Scripture? (Greek: *kanon*, 'standard' or 'rule').

As far as the Old Testament was concerned:

1. Books that were recognised by Jesus Christ as infallible 'Scripture' could not be broken (Matthew 5:18). In John 10:35 Jesus didn't have to explain what He meant by 'Scripture', though elsewhere He did refer to its different categories (law, prophets, psalms) as pointing to Himself (Luke 24:44; Matthew 24:37). All was to be believed and obeyed.
2. Books that were recognised by God's people because of their impact. God's people will always recognise His voice (John 10:27). Jesus clashed with the Pharisees for adding their traditions to the Scripture; yet all were agreed that the Old Testament Scriptures were God's word.
3. Books that were recognised by the New Testament. It is significant that the New Testament features hundreds of Old Testament allusions. Only two are from the body of books known as the Apocrypha (Jude 9, 14) – seemingly in similar style to Paul's quotation from a Greek poet (Acts 17:28). The Apocryphal books were perceived to be on a lower level.

Next, what determined inclusion in the New Testament Canon?

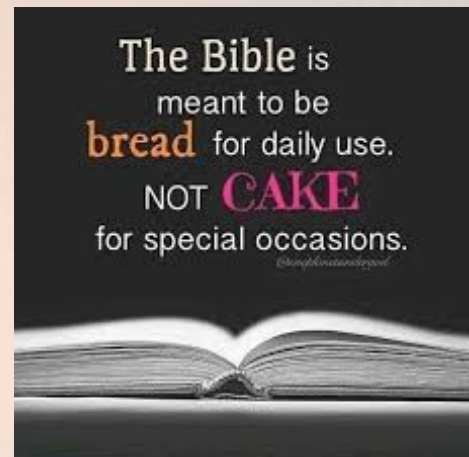

3. Books that are Christ-centred in their emphasis. It was inconceivable to the early Church that the Gospels, for example, which focused so much upon the life and death of Jesus, could have any lower place than that given to the Old Testament Scriptures.
4. Books that are apostolic in their teaching. It was to the apostles exclusively that Jesus promised guidance 'into all truth' through the Holy Spirit's inspiration (John 16:13). The result of this was the New Testament (1 Corinthians 2:12,13). Significantly, Peter brackets Paul's writings with what he calls 'the other scriptures' (2 Peter 3:15,16).
5. Books that are faith-building in their effect, and thus, to be read in the congregations (John 20:30,31; 1 Thessalonians 5:27; Colossians 4:16; 1 Peter 2:2; Revelation 1:3). When the Christian scriptures take hold of the thinking of masses of people, they have the effect of 'stabilising society, without sterilising it' (historian T. R. Glover).

The books of the Old Testament were becoming largely accepted by AD 70; those of the New Testament by the end of the second century. The drawing of a line around them discouraged forgers and religious peddlers.

So no one really 'put' the books into the Bible; they put themselves in, because of their innate quality. No council by itself could have conferred authority upon the books; this, they possessed already. It is an authority that is inherent, not imposed. If art lovers say of a Renoir painting, 'This is a genuine Renoir', their acclaim in no way invests the painting with authority; it was already authentic. It is the same with the Scriptures; we can only recognise them as such.... and live by them.

*Eat honey, my son, for it is good;
honey from the comb is sweet to your taste.*

Proverbs 24:13

If your granny gave you honey when you had a cold, she was right.

Research published in The British Medical Journal has found that honey is especially good for treating upper respiratory tract infections (URTIs) such as the common cold.

Honey has anti-microbial and anti-inflammatory properties. These do better at soothing your cough and sniffles than any of the over-the-counter remedies. In fact, URTI sufferers who were given honey suffered their symptoms for up to two days LESS than those who did not use honey.

Local honey is a great help against hayfever.

All good news, especially as honey is cheap, readily available, and has virtually no side effects. (Not suitable for babies)

Dairy cows have serious competition these days: a third of young people are now opting for vegan milk instead. Recent data from the global market research firm, Mintel, has found that 23 per cent of Britons now use plant-based milk. It has become most popular among the 16 to 24-year-olds.

Many millennials have switched to soya milk because of environmental concerns, but the Sustainable Food Trust has recently warned that vegan milk could actually be far more harmful to the environment. They say that grass-fed dairy milk poses less of a threat to the Amazon and other rainforests than many soya products do.

Parish News

A few snippets of what's been going on over the past month whilst we've been on lockdown. As you can see life has been pretty busy in Killyman and beyond.

Summer Worship

During the Summer months we held Drive in Church in the car park of the Church. Rev. Mark preached a series of thought-provoking sermons on King David. The services were really well attended, and we were blessed with favourable weather most weeks. Thanks to the members of the Select Vestry for stewarding each week, to Leslie for providing the sound system, to Hannah for playing, the Parish Praise Band for pre-recording the hymns and Cappers for kindly lending us their lorry.

In Building Worship

We are looking forward to the return to In Building Worship on Sunday 4th October. Services will take place at 9:30am and 11:00am. Pre-booking will be required and can be made online- contact standrewskillyman@gmail.com for the link or phone the Parish Office on 87726635.

Congratulations

We want to congratulate Reverend Rodney Blair on his recent ordination. We wish him God's blessing as he moves into the next chapter of God's calling on his life.

Congratulations also go to Reverend Christopher West on his recent ordination in Dublin. We continue to keep Rev'd Chris in our prayers as he settles into life in Taney Parish in Dublin and wish him every blessing.

We welcome the news from Drumglass Parish that they have appointed Rev Bryan Martin as their new Rector.

Rev'd Captain Geoffrey Walmsley has been appointed as the Rector of Milltown.

We wish them well as they prepare for their new posts.

SOON I'LL BE THE RICHEST
MAN IN THE TOWN!

I'M SO LUCKY - I CAN

BUT THAT VERY NIGHT,

JESUS EXPLAINED - IT'S NOT

THAT'S IMPORTANT

When St. Andrew's re-opens
for
"In-Worship" Services from 4th
October.

As you are aware "In-Building" worship will resume on Sunday 4th October.

When we return to "In-Building" Worship, everything will be very different to how it was 6 months ago.

We will have 2 morning services at 9:30am and 11:00am.

Social Distancing – We are required to stay at a social distance of 2 meters from each other while at "In-Building" worship.

Seat Allocation – Pews/ Seats will be allocated on a first come, first served basis. The Church has to fill from the front and empty from the back, row by row. Once all available seats are used then no one else is permitted to enter. We are temporarily making our services a ticket only event – meaning that those who wish to come need to book online or phone the Parish Office and reserve a place each week.

Track and Trace – As with Drive-In Church, a list of everyone in attendance needs to be kept for the purposes of Track and Trace.

Hand Sanitizing and Covid-19 checks – Before you enter the Church you will be requested to use Hand Sanitizer.

Face Masks – Face coverings are recommended for all in attendance.

No Books – While you are welcome to bring your own books, no books will be available to borrow. Everything you need will be on the screen.

Shorter Services – In order to keep close contact with other people to a minimum, the Services will be noticeably shorter.

Sacramental Worship – The Administration of the Sacraments will be very different from what we are used to.

Stay Safe and Keep Praying.

Killyman Radio 106.5FM

Services will be broadcast on 106.5 FM on the radio at 11am on a Sunday morning, which you are very welcome to come along and listen to while remaining in your car. This is a great alternative for those who are wary of coming into the building for the time being.

On Sunday 11th October at 7pm there will be a special radio broadcast with some of our favourite hymns. Come to the Church Car Park and tune in.

Look out for the Poppy Appeal again this year, but not so much via street collections. Instead, the Royal British Legion will focus on contactless donations, as a safer way forward during the pandemic. One such method will be 'point of sale donations'. This means that whenever you shop at your local supermarket and reach the till or online, you may be invited to round up your total to the nearest pound to help the Poppy Appeal. A spokesman for the Royal British Legion said: "The Poppy Appeal

2020 is very much still going ahead", but that "the safety and wellbeing of our volunteers, staff and members is paramount.

This means that collectors who fall into the vulnerable category have been advised "not to take part in activity on behalf of the Poppy Appeal that would expose them to any additional risks while coronavirus is still present."

And yet the need is still huge: "Members of the Armed Forces Community are suffering significant hardship as a result of the Covid-19 outbreak and we at the Royal British Legion will do everything we possibly can to support them."

They shall grow not old, as we that are left grow old:

*Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning
We will remember them.*

Parish Giving

A number of people have been asking about their Free Will Offering Envelopes and the finances of the Church.

The majority of our financial support comes through what is put on the collection plate at Sunday Worship. As you know, we have only had the opportunity to collect this at Drive In Church services. Our Financial obligations still have to be met, so let us encourage you to consider one of the following options.

- 1) Standing Order Giving – you can set up a Standing Order by simply completing a Standing Order Form and sending it to your Bank. Or if you use online banking you can set it up yourself. This can be cancelled at anytime by contacting your bank.**
- 2) One off Donation – Simply post a cheque to the Rectory and mark the envelope for the Treasurer.
- 3) Envelope giving – Continue to fill your Free Will Offering envelopes at home and give them at the first available opportunity.
- 4) If you are interested in Option 1 or have any questions regarding Financial Giving please contact either the Rector, Treasurer or send an email to standrewskillyman@gmail.com

Finally let me thank you for your continued financial support for the Parish. We understand that these are uncertain times, and we appreciate you giving these suggestions your prayerful consideration.

**One of the reasons for people not signing up to Standing Order is that they wouldn't want anyone to see them not putting anything on the Collection Plate on a Sunday Morning.

Before lockdown the Select Vestry had agreed to "Giving Tokens", which each Standing Order Parishioner would place on the Collection Plate instead.

Please be aware that Gift Aid Envelopes will be delivered by your Distributor during October as is normal each year.

Due to Covid-19 restrictions the Financial report will not be distributed this year, however if you require one please contact the Parish Office and one will be emailed to you.

It would also be helpful if you could let him know if someone has been discharged from hospital.

Gardening tips for October

- Cut back old stems from summer flowering perennials, to about 5cm from the ground, but maybe leave a few seed heads here and there.
- Remove summer bedding and clear the space to plant some winter flowering pansies, heathers, and some evergreen shrubs.
- Lift dahlia and begonia tubers and store them in dry sand or compost in a dry frost free environment over winter.
- Give your flowerbeds a thick layer of compost, bark chippings or well rotted manure. You don't need to dig it in as the worms will do that for you.
- Give your greenhouse a thorough clean. Wash windows and benches and scrub pots, tools and accessories. Make sure to remove dead plants. Don't leave room for pests!!
- Plant up your spring bulbs if you haven't already done so, sow some seeds for early flowers next year.
- Get your lawnmower serviced now as hopefully it will be getting a rest until springtime!

The pandemic is leaving a “lasting digital legacy”, and changing the UK’s internet habits and behaviour “indelibly”. So says a recent Ofcom study.

Since March we have broken the four-hour barrier, which means that, on average, we spend more than a quarter of our waking hours each day online. That is up from an average of three hours and 29 minutes this time last year.

Zoom has soared in popularity. Last December it reached 498,00 people in the UK; by April this had soared to 13million in the UK.

TikTok, which lets users share short videos set to pop music, had 5.4 million UK users in January; by April it had 12.9million users.

In February, 35 per cent of UK adults made a video call once a week. By April that had soared to 71 per cent. The largest increase has been among the over-65s, with now 61 per cent of them making weekly video calls.

Older people favour Zoom, in order to ‘visit’ their relatives and friends; while many teenagers have become addicted to TikTok and endless videos.

Well Done

Well done to Sam Watson who made and sold buns during Lockdown to raise funds to buy PPE. Sam is pictured delivering protective glasses to the Radiology Dept at Craigavon Area Hospital.

Young Sunday School pupil Lily Brodison recently had her long hair cut and donated it to the Little Princess Trust to make wigs. It was a very kind thing to do!

Sweet Potato and Carrot Soup With Chilli and Coconut

Ingredients:

3 large sweet potatoes, peeled and chopped

2 Large onions, peeled and chopped

50g butter

2 potatoes, peeled and chopped

1 red chilli, deseeded and chopped

1x 420g tin coconut milk

600ml vegetable stock

Handful fresh coriander leaves (optional)

Method:

In a heavy saucepan, on a low heat, gently cook the onions in the butter for 8-10 minutes until softened and turn opaque. Keep lid on but stir occasionally.

Add remaining vegetables, the stock and chopped chilli. Season well, cover and simmer gently until the vegetables are tender, about 15 - 20 minutes.

Remove from heat, add coconut milk and fresh coriander, then liquidise until smooth.

Reheat gently and serve with a slice of wheaten bread from one of our previous recipes!

Instant Chocolate Mousse

Ingredients:

150g mini marshmallows

50g soft butter

250g dark chocolate

60ml hot water from recently boiled kettle

284ml double cream

1 teaspoon vanilla extract

Method:

Put marshmallows, butter, chocolate and water in a heavy based saucepan.

Put saucepan on hob over a gentle heat, melt the contents, stirring occasionally. Remove from the heat.

Meanwhile, whip the cream with vanilla extract until thick, then fold into the cooling mixture until you have a smooth cohesive mixture.

Pour into 6 glasses or ramekins or 8 smaller ones. Add some cream and sprinkle some grated chocolate on top.

Chill the mousse until you want to eat it.
