	Peru expenses returned to Miss A Halligan	£356.00
	<b>Balance at 31st Dec. 2022</b>	<b>£9,766.11</b>

### Notes on Statement of Accounts:

Each year, direct giving forms a major part of the Church's income. In 2022 this was approximately £3,700 (4.5%) more than in 2021. These figures do **not** include gift-aid tax refund. The direct giving through weekly envelopes increased significantly during the last two months of the year. This coincided with appointment of a part-time minister, the Revd. Chris Broddle, for a period of six months, until Easter 2023.

The Christmas Craft Fair took place again (the first since 2019) and raised a total of £3415.00.

A rebate of £1115.32 was received from NI Water. This was for electricity bills paid by the parish, for the pumping station, since its adoption by NI Water in 2019.

The Parish's contribution to the Diocesan Sustentation Fund for the year was £48157.19 – approximately £20,000.00 less than the figure for 2021. This reduction was due to the parish being in vacancy, ie. no full-time minister was in place.

Apart from the Diocesan assessment and everyday running costs, the three other major, one-off items of expenditure were:

- Upgrading the Church building's lightning conductor - £8025.60.
- Upgrading the Church building's audio-visual and recording system - £3011.62.
- Painting in the Church porch and some of the windows - £2231.50.

The cost of electricity and heating oil also increased significantly over the year.

## **Missionary Account:**

£4,000.00 from the missionary account was sent to SAMS to support the work of the parish's mission partners in Peru.

This £4000.00 was in addition to the £4451.16 which was donated to missionary societies and other worthy causes from Church funds.

## **Gift Aid Donations (Year Ending 30<sup>th</sup> September 2022)**
