From the Rector

Whether we live in the countryside, or in a more urban setting, we can appreciate the variety of birds outside our windows. Recently, on the cover

of a small book about the parables, I noticed a beautiful picture of birds nesting in a tree – illustrating the parable of the mustard seed, and how that seed becomes a tree large enough for the birds of the air to come and nest in its branches.

Jesus was fond of talking about birds. He used the birds to teach his disciples not to be anxious about their life, particularly about food and clothing. If God cares for the ravens, will he not also care for his disciples' day to day needs? 'Of how much more value are you than the birds!'

In similar language, in another place, Jesus said: 'Are not two sparrows sold for a penny? And not one of them will fall to the ground apart from your Father ... Fear not, therefore, you are of more value than many sparrows.'

Remarkably, on that occasion, Jesus had only just warned his disciples that they would face intense persecution from kings and governors, and that some would even be delivered over to death. That seems like a strange kind of protection!

But Jesus had a larger picture in mind. One day his disciples would appear before God's heavenly court.

Yes, his disciples would face great difficulties in this world, and from an earthly perspective might lose everything. But in the larger scheme of things, they would be the winners. 'Whoever loses his life for my sake will find it,' said Jesus. 'All who acknowledge me before others, I also will acknowledge before my Father in heaven.'

We will, most likely, not be dragged before courts and kings and governors, but, confessing Christ as our Saviour and Lord, we will face opposition.

Jesus understands our weakness. He sets before us the prospect of a reward to encourage us. If we confess him before others, he will acknowledge us as his own, giving us honour before his heavenly Father.

Recently, the great sporting events of summer have been taking place – Wimbledon, the Open Golf, Ashes Tests, the Women's Football World Cup, and the Tour de France. For a few brief minutes the champions walk across a stage to huge acclaim and applause, and receive glittering prizes. How much greater honour for us to be acknowledged by our Saviour, before his Father and the holy angels!

Thinking Towards 200

In November 2024, we will celebrate the 200th Anniversary of St Andrew's Parish Church.

The Select Vestry have generated a list of ideas for celebrations throughout the year but would welcome further suggestions from parishioners.

A planning team has been formed to organise events.

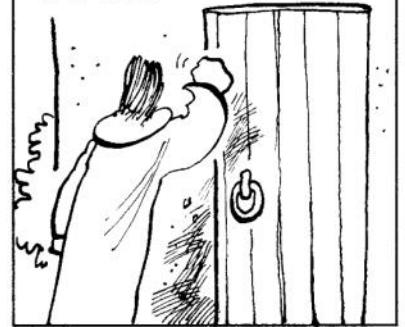

If you have any ideas for how we could all celebrate this very significant event, please write your suggestions on a page and leave them in church on the collection plate, into the Parish Office or send an email to killymancoi@outlook.com

Words and Actions

JESUS HAD MANY FRIENDS - AND HE OFTEN WENT WALKING WITH THEM.

ONCE, ON A JOURNEY, JESUS CALLED AT THE HOME OF MARTHA AND MARY

MARTHA WAS VERY PLEASED TO MEET WITH JESUS, AND SHE MADE HIM WELCOME

MARY WAS VERY EXCITED TOO AND WANTED TO LISTEN TO EVERYTHING JESUS HAD TO SAY

BUT MARTHA, WAS NOT VERY IMPRESSED WITH MARY! SHE THOUGHT HER SISTER SHOULD BE HARD AT WORK. NOT SITTING AROUND - JUST LISTENING

LORD, DON'T YOU CARE THAT MARY HAS LEFT ME TO DO ALL THE WORK BY MYSELF?!

MARTHA, YOU ARE WORRIED AND TROUBLED OVER SO MANY THINGS

JESUS TOLD MARTHA THAT THERE ARE FAR MORE IMPORTANT THINGS IN LIFE THAN JUST FUSSING OVER A CLEAN HOUSE!

PERHAPS THE MOST IMPORTANT THING WE CAN LEARN, LIKE MARTHA, IS TO MAKE TIME TO LISTEN TO JESUS.

This year I am hoping to complete the Mourne Madness on Sunday 6 August 2023 for Autism NI.

The route is over 20km long, climbing three mountains, Slieve Donard, Slieve Commedagh and Slieve Bearnagh, returning via the Brandy Pad, The Saddle and through the forest back to Donard Park.

Autism NI is a small local charity and all funds raised remain in Northern Ireland. They

support autistic people and their families, and campaign for autism acceptance within society. If you would like to support me in this challenge my Just Giving page is <https://www.justgiving.com/page/jonathan-fowler-1684850799411>

1st Killyman Guides have had a very successful year after a long break due to COVID-19.

Ten girls joined in September 2022 and have embraced the Girlguiding programme completing both the BE WELL and EXPRESS MYSELF themes and achieving their Bronze Award.

During the year the Guides have had plenty of opportunities to take part in crafts such as flower arranging and graffiti art, have made mocktails, did yoga and pilates and learned how to light and extinguish a campfire safely.

They took part in the County Captainball Tournament, the County Craft Challenge and the County Outdoor Challenge.

Lots of badges have been completed including the Girlguiding Ulster Centenary Challenge, the Coronation and Kindness Challenge and the 2022 UK Parliament badge. Guides attended Church on Remembrance Sunday and also on the Sunday after Thinking Day to celebrate the 75th Anniversary of 1st Killyman Girlguiding and 1st Killyman Scouts.

Celebrations of the 75th Anniversary also included joint activities with the Brownies and Rainbows including the planting of a tree in the Church Grounds, registered as part of the Queen's Green Canopy, the burying of a time capsule and a joint meeting/party evening as well as a Coffee Evening Reunion for past members and leaders.

The year finished with a weekend residential at Gosford Guide House where we joined older Brownies on their Pack Holiday. Activities included an escape room, a mystery hunt in the forest searching for clues to find the suspect, tie dying T-shirts and pillowcases, a visit to Armagh Show, a table quiz, a campfire with s'mores, an outdoor disco at sunset and a Guides and Brownies Own Sunday Service.

Guides are having a break over the summer but will start again on Friday 22nd September 2023.

On Sunday 25th June, at morning worship, a presentation was made to Hannah Fowler, on her last Sunday as our Parish Organist. Reverend John wished Hannah well and thanked Hannah for her dedication during her time as organist.

Choir News

In recent months the Parish Choir had a few extra events, they sang at Reverend John's service of Institution and also attended the Sing Europe leg of the Getty World Tour in Belfast. All those who attended really enjoyed the evening and enjoyed singing the well known Getty pieces and also learning some new ones.

Prior to Hannah's final service as Organist the Choir had a lovely evening in the Parish Hall where they shared food and fellowship together. Special thanks was expressed to Hannah for all her work with the Parish Choir, with the Sunday School children and the Praise Band. No one will forget the music provided for services online during Lockdown, for the music played on the back of the trailer in the car park for Drive In church and especially all the musical snippets for helping to make the Daily Handwashing Songs.

Presentations were made to Hannah, with grateful thanks and good wishes for the future, as she stood down as organist at the end of June.

Thank You

Food Bank

Thank you to those who faithfully support the Food Bank collection in the Parish Hall. Donations can be left in the Parish Hall Foyer during the week or brought along on a Sunday. Every little bit helps.

Thank you to the large team of volunteers who turned up on Saturday 24th June to help tidy up the grounds. It was a very productive time of work and fellowship. Thanks to those who organised the refreshments as well.

Children's Day

Thank you to all the children who took part in Children's Day at the beginning of June. There was a great attendance and it was lovely to hear the young people leading the prayers and reading the Bible passages as well as sharing the joy of Jesus in their songs.

This year we are sending a very large P7 class on to Bible Class and Connected. We wish them well as they move schools in September and hope that they will continue to be faithful attenders as they move on to Bible Class and Connected.

PLANNING SERVICES

Did you know that there are 18 species of bat in the UK and 8 or 9 of them are found in Northern Ireland?

And did you know that these bats make up almost a quarter of ALL our mammal species?

With a wingspan of 12cm, Leisler's bat is our biggest species weighing in at around 15 grams, less than a packet of crisps.

Our smallest bat, the pipistrelle, can eat around 3,500 small insects, such as midges, in one night. Bats make great guests at any barbecue!

Bats and their roosts are protected by law throughout Ireland and Great Britain. This means that bats should not be disturbed at any time no matter where they are. Roosts are also protected at all times regardless of whether bats are present or absent.

Anyone in Northern Ireland wishing to carry out work on any structure which may interfere with the bats or their roost should first contact the Northern Ireland Environment Agency for guidance. If bats are discovered during works, all activity should cease until advice is sought from the Northern Ireland Environment Agency.

What to do if you find a bat

If you find a bat on the ground, or in an exposed area, especially during the day, is likely to need help.

How can I help?

Please follow the instructions on next page! We would appreciate it if you can submit your record (even if the bat flies away successfully) through our [online form](#) at www.bats-ni@org.uk.

If the bat is on the ground, on an outside wall, or in an exposed area where it may be vulnerable, you should first try to contain it in a box before attempting to release or rescue it.

Grounded common pipistrelle

Please don't assume the bat is healthy and leave it outside to fly away.

A grounded bat is likely to need urgent care!

Contain the bat

You should avoid handling the bat, but if it is necessary WEAR GLOVES AND USE A TEA TOWEL TO LIFT THE BAT

You will need:

- A shoe box, with holes punched in the lid (or container of equivalent size)
- A cloth or teatowel
- A plastic bottle cap (milk bottle tops are perfect)

1. Move the bat into the shoe box or box either:-

a) Like a spider, by placing a box on top of it and sliding a piece of card underneath...

Or:-

b) Alternatively, cover the bat with a cloth/teatowel and carefully scoop it up and place it in the box. **(You should not handle the bat with bare hands.)**

2. Put a tea towel or soft cloth in the box for the bat to hide in.

3. Put in a small, shallow container e.g. a plastic milk bottle top with **a few drops of water** (not enough for the bat to drown in). Make sure the water is topped up regularly.

4. Keep the bat indoors somewhere quiet and dark, not anywhere too warm or too cold (a garage or shed is usually perfect).

Well done, the bat is now contained!

Even if there are no signs of injury or you don't think a cat attacked the bat, the bat may be sluggish and weak. Most grounded bats end up in this state as they are dehydrated, hungry or sick. A healthy bat should be very energetic and trying to escape! If the bat is sluggish do not attempt to release it as it will either not fly or attempt to fly and crash land. In this case please fill out our online form at www.bats-ni.org.uk and a member of CEDaR/NIEA or one of our volunteers should contact you to collect the bat or give you further advice.

What does the Bat Group do?

Volunteers carry out a number of activities including:

- Rescue and rehabilitation of bats
- Providing advice about bats to individuals, businesses and councils
- Collecting and collating bat records from across Northern Ireland which are passed on to CEDaR
- Delivering bat talks and walks to groups of all ages
- Cooperating in bat conservation and research projects including Bat Conservation Trust's National Bat Monitoring Programme
- Providing 'Bats a Fact' education resource and workshops for schools (on request)
- Providing training for members wishing to apply for a Volunteer Roost Visitor License

Greetings Brothers
and Sisters in Christ.

It doesn't seem so
long since I last wrote
to you. Things here
have been very busy.
We celebrated
Pentecost with
activities in all the
churches.

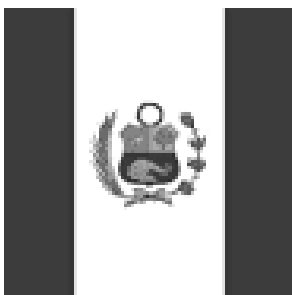

We have replaced the roof on St Peter's and all our outreach work
continues in the 3 churches.

Thank you for all those who
pray for us and continue to
support us. We loved to see
your Sunday School children
singing in church and praying
for us. We pray for you all too.

The support that we can
provide to our people, with
your help is an answer to
prayer.

The food and
clothing outreach is
very important to
everyone and we
thank you for all
your help.

The children in all the schools have been getting practice for the Peru Day Celebrations at the end of July.

In January, when I visited you in Killyman, I shared about a hope for a new place for youth camps and retreats. We are praying really hard that this work will happen in the near future. Please pray with us that this will happen.

Your friend
Pastor Anderson Sanchez

Do you love your smartphone too much?

How much time a day do you spend on your smartphone? According to one app monitoring firm, App Annie, we can spend an average of 4.8 hours a day on it.

And so much time is not doing us any good.

As one writer has put it, our smartphone “removes us from the present moment and wastes time that could be more profitably and purposefully spent. Imagine, at the end of your life, receiving a balance sheet stating the number of your hours on Earth lost to scrolling.”

Scientists explain the attraction of smartphones in this way : responding to the ‘push notification’ rewards you with dopamine, the brain chemical that makes you happy.

“The smartphone is the modern-day hypodermic needle, delivering digital dopamine 24/7 for a wired generation,” Dr Anna Lembke, professor of psychiatry and behavioural sciences at Stanford University, California, wrote in her book *Dopamine Nation* in 2021.

Dr Lembke warns: “The scrolling and visual stimuli release dopamine in our brain’s reward pathways, and the way our brain compensates for overstimulation is [by entering] a dopamine deficit state. Once we’re in that state we continue scrolling to try and bring those dopamine levels back up to baseline, so we get into a place where we’re chasing our tail. We’re chasing dopamine.”

Take a look at the next page then take yourself outside and take some photos for our calendar!! They don’t have to be Church related!

We have had a very busy year after coming out of Covid restrictions!! Our highlight has been celebrating 75 years of Girlguiding in Killyman. The celebrations started with a special Church Service in February followed by the planting of a tree which was also included in the Queen's Green Canopy. On Thursday 20 April we joined with the Guides and Rainbows for a Celebration Party and on Friday 21 April we had a reunion evening when many past members and Leaders returned for a night of reminiscing!! How wonderful it was to have two of the original Brownies from the very first Brownie meeting on 18 October 1947 in attendance, Margaret Courtenay

and Marjorie Farmer.

We were truly blessed to be able to celebrate together with past and present members and we thank and praise God for the fun and fellowship that so many girls have experienced in Girlguiding Killyman over the past 75 years. Grateful thanks are due to the extensive team of many dedicated Leaders which has made all this possible over the years and enabled us to reach this magnificent milestone.

BEST BROWNIE

Inspection points and attendance were totalled for year to determine the award for Best Brownie. This year, full marks were achieved by 3 Brownies, Lucy wright, Mollie Hughes and Sophie Hazelton. Very well done to all 3 Brownies who deserve this award for their excellent effort and dedication all year.

THE JOAN HARRISON PERPETUAL SHIELD for diligence, effort and endeavour over all four years in Brownies was awarded this year to Sophie Smith who has been an outstanding Brownie. Well deserved.

BROWNIE GOLD AWARDS:

Lucy Wright, Mollie Hughes,
Ellouise Stewart

BADGES

The prize for having completed the most Interest badges in fourth year went to Sophie Stretton who had achieved 13 badges. In third year, the prize was achieved by Lucy Wright with 13 badges. In year two, Megan Lucas, Ava-Rose McMullan and Ruby Valentine won the prize for most badges with a total of 7 each. In first year, the top prize with 6 badges completed was achieved by Phoebe Diniz. Well done to all these Brownies and to all the others who have also done their best!

SPECIAL BROWNIE AWARDS

Throughout the year, we have been progressing with our new programme and are delighted to announce the extra special awards that have been achieved to date. Congratulations to all these Brownies who have worked hard to achieve these top awards.

PACK HOLIDAY

To end our 75th celebrations, we had a joint Pack holiday with the Guides when 24 girls and 8 Leaders travelled to Gosford Guide House, Co Armagh for a fun packed week end!! Activities included an escape room and mystery hunt, making tie-dye T-shirts, Krypton factor, campfire and s'mores, a Guides' own Service and a visit to Armagh County Show. This was a truly enjoyable time and a fitting way to round

up a very busy but successful year.

NEW YEAR

We say goodbye to four Brownies and wish them well as they hopefully make their way to Guides next term. Sophie Smith, Elle Lucas, Lyla Eccles and Sophie Stretton.

All new girls aged 7 who are interested in joining Brownies, please email us at killymanbrownies20@gmail.com with your details and any questions and we will get back to you to let you know our arrangements.

Due to GDPR regulations the Rector is not always informed about hospital admissions. If someone you know is housebound, in a nursing home, unwell, bereaved or for any other reason would appreciate a visit from Rev John, please get in touch. Call the office on 028 8772 6635 and please leave a voice message if there's no answer to the office phone.

Please don't assume someone else will let us know as it's not always the case and that's when people feel neglected by the church, when in fact we weren't aware of the problems. It's better to be told the information twice, than to never be told.

For all pastoral emergencies please contact Rev John directly on 07858671916.

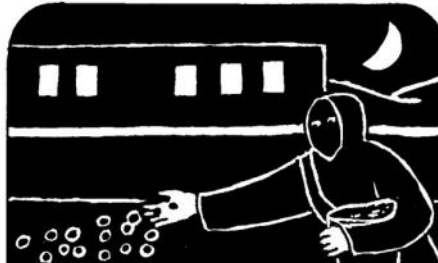

Bible Bite

A short story from the Bible

It can be read in the Bible in
Matthew chapter 13:24-30, 36-43

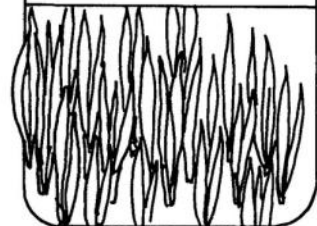

Jesus told this story to help explain
what his Kingdom, the Kingdom of
Heaven, is like...

A farmer's workers sowed
good wheat seed in his field.

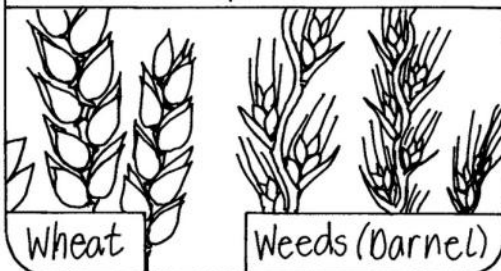

At night an enemy came
and scattered weed seeds

When the seeds
sprouted they
looked the same

When the plants grew bigger
the workers spotted the weeds

Wheat

Weeds (Darnel)

They asked the farmer

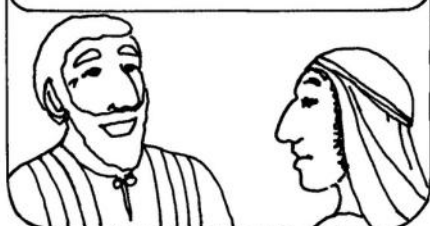

How did this happen?

An enemy did this

We'll pull
up the weeds!

No, you might pull up
some wheat with them.
Wait until harvest time

You will be able to sort them
out, and put the wheat in the
barn... and burn the weeds

People asked

What does
this story mean?

The field is the world
and the good seeds are
the good people

The weed seeds
are the evil people. At the end
of time they will be separated.

The angels will bring
the good people to me
in heaven.

As summer continues... This church is prayer-conditioned. -

I'm Bored!

I've nothing to do!

Being bored is good for you!

This will cheer you up this summer, when your children mope around the house saying that they are bored: apparently a bit of boredom is *good* for them.

So says a senior educationalist, Julia Robinson, who has encouraged parents NOT to force their children into too many activities. Instead, they must be allowed to become bored, so that they can have time to be reflective and calm. Too many pursuits such as music lessons, sport and online learning could result in a generation of manic, anxiety-ridden adults, she warns. She points out that happiness does not come from a "regime of unrealistic multitasking, running oneself ragged with an exhausting programme of endless...activities."

Another educationalist urged that children need "downtime.... They have the right to be bored, to give them the stimulus to be inventive, resourceful and self-reliant – all important life skills."
