## **From the Rector**

It seems no time at all since Christmas, and already we are counting down to Easter. Once again, our minds return to the heart of the gospel - 'the old, old,

story' of which we should never tire.

The account of what happened between Palm Sunday and Easter Sunday is by far the largest section in each of the four gospels. From the Gospel writers' point of view, Jesus' death and resurrection were what Jesus had to pass through to achieve what he came to earth to accomplish.

Jesus came to make it possible for people to enter and inherit the kingdom of heaven. He came to offer the free gift of eternal life to all who believe in him - to 'open the kingdom of heaven to all believers' (Te Deum). And he died and rose again to bring that about.

This is summarised in the words of the apostle Paul: 'Christ died for our sins according to the Scriptures ... he was buried ... and he rose again the third day according to the Scriptures.' (1 Corinthians 15 v 3-4)

And our Lord said just as much in his own words, while he was here on earth.

'This is my blood of the covenant, which is shed for many for the remission of sins.' (Matthew 26 v 28)

God 'hates nothing that he has made.' He loved the world and wanted to save the world. And so, it came about that the Son was lifted up on the cross, for the world, 'that whoever believes in him should not perish but have everlasting life.' (John 3 v 16)

This is the 'old, old, story'. On the first Easter, Christ died and rose again so that we would not perish. He died to give the right to become children of God to all who believe in his name. (John 1 v 12)

So, this Easter, let us be sure that our faith is in him and him alone for eternal life. Relying on him, we can be sure that we will never perish. And that assurance of our eternal salvation can be the bedrock of our lives.

'My sheep hear my voice, and I know them, and they follow me. And I give them eternal life, and they shall never perish; neither shall anyone snatch them out of my hand.' (John 10 v 27 – 28)

**A prayer for Killyman parish as we celebrate the  
200th year of the current Church building:**

'Hear us, most merciful God,  
for that part of the Church which thou hast planted in our land,  
that it may hold fast the faith which thou gavest unto the Saints,  
and in the end bear much fruit to eternal life;  
through Jesus Christ our Lord. Amen.'

# The gardener and the Vine

JESUS OFTEN TOLD  
STORIES WITH  
HIDDEN MEANINGS

ONCE HE TOLD HIS FRIENDS ALL  
ABOUT A GARDENER.

THE GARDENER'S JOB WAS  
TO CARE FOR THE VINES

HE WOULD LOOK AT EACH  
BRANCH CAREFULLY..

... AND IF IT WAS PRODUCING  
GOOD FRUIT, HE WOULD CARE  
FOR IT AND NOURISH IT.

IF IT WAS PRODUCING BAD  
FRUIT...

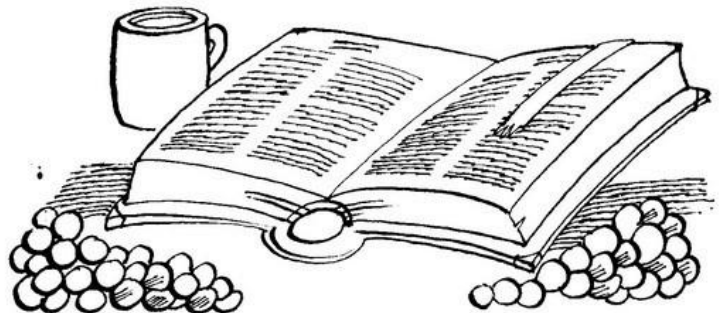

...OR NO FRUIT AT  
ALL...

... THEN THE GARDENER WOULD  
CHOP IT OFF, AND BURN IT IN  
THE FIRE!!

JESUS WANTED HIS FRIENDS TO SHARE  
THE GOOD NEWS - THAT'S LIKE THE  
VINE BEARING GOOD FRUIT.

YOU CAN READ THIS SPECIAL PARABLE IN JOHN'S  
GOSPEL, CHAPTER 15.

Advent 2023

During Advent, the knitted nativity figures travelled to different homes and locations around Northern Ireland and beyond. They caused plenty of discussion about the real reason for Christmas.

Thank you to everyone who hosted Mary and Joseph.

Mothers' Union members ended the year with a delicious Christmas Supper, served by Committee members. We were joined by our Rector, Rev John Ewart. Following supper, members enjoyed games and brain teasers. A report on 2023 was given by Linda, we really were quite busy with all our activities!

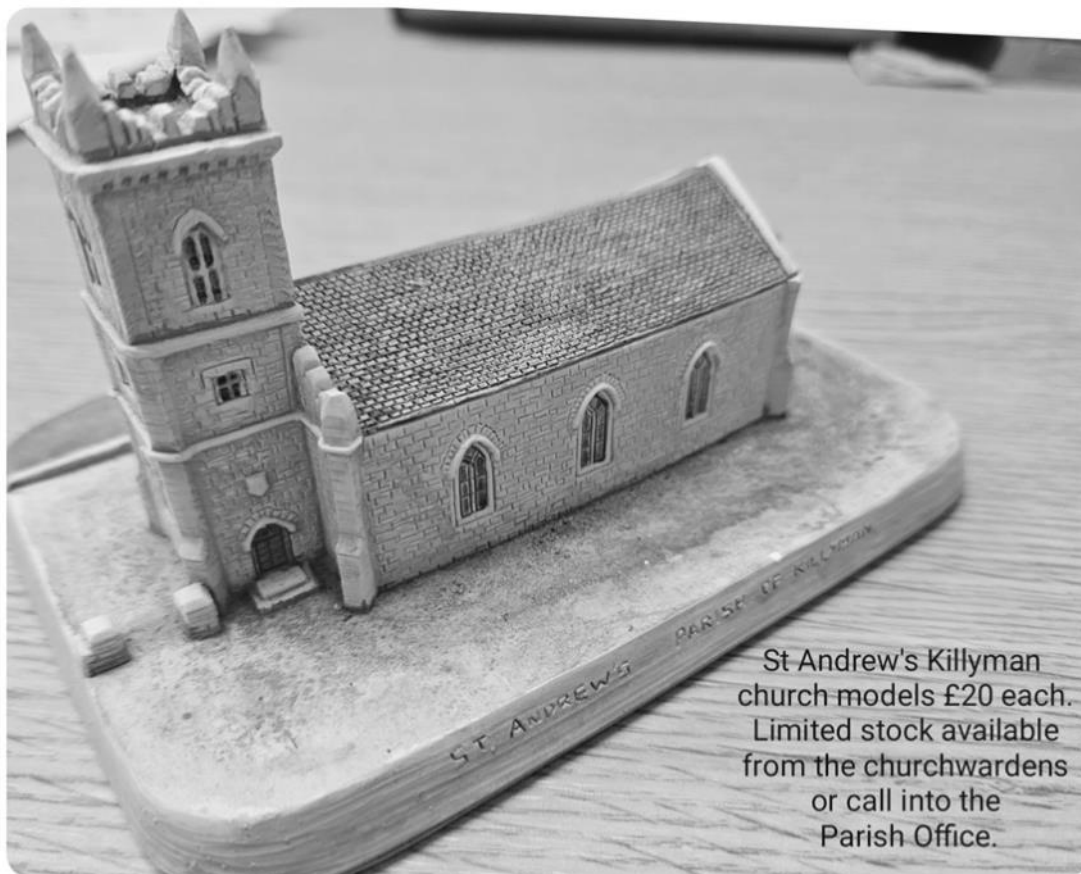

Our new year commenced with Janine Boyd speaking to us about “Living and Coping with Deafness”. Janine has a 16-month old boy, Mason, who was born profoundly deaf. She told us about all the tests that have been conducted from birth until he received his cochlear implants just a few months ago. Janine is currently learning sign language to communicate with Mason and was very inspirational about coping with deafness and how she would like to establish a Support Group in the Mid Ulster area.

February is missionary night and we will be delighted to hear Dr Charlotte Moore speak about “Mongolian Madness on Horseback”. Charlotte is no stranger to Killyman and we invite our Parishioners and friends to come and hear about her charity work.

The meeting will be held on Thursday 22nd February at 8.00 pm.

We look forward to welcoming new members in 2024 and if you are interested, please speak to any of our members or come along to any of our meetings.

What lessons can Christians learn from a London rail worker who was recently honoured by King Charles, for talking 29 people out of taking their own lives?

Maybe something about the power of conversation and being willing to 'stop for a chat.'

Rizwan Javed helped to save each life over a period of eight years, by being alert and approaching vulnerable individuals in difficult situations. He was awarded an MBE in the New Year Honours earlier this year. Rizwan was alert, and willing to engage people in conversation.

Anglican priest Jemima Prasad's style of talking with people has been described as 'bus stop theology.' She put it into action on the half-mile walk from her home to the church in Lozells, an inner-city area of West Birmingham, with high unemployment and poverty.

Her engaging approach is featured in *Stick with Love*, a recent book by Arun Arora, Bishop of Kirkstall in northern England.

She explained: "I don't go out looking to talk to people, but I am ready to do it. I don't pass anybody without saying 'Hello' and when I leave, I always say 'God bless you.' Meetings happen on a daily basis, but often only last as long as it takes for the bus to arrive.

"People often say they are not religious, but I say we are all spiritual beings, and they agree. So, I simply tell them that weak and simple people like me call that God."

Sadly, we are living in a society where conversations are being closed down. People who might have chatted on the bus or train, are now deeply involved with their mobile phones.

Supermarkets are phasing out staffed checkout points, so that elderly people and others who live alone are deprived of those conversations that can make a difference to their day.

Jesus asked questions as a vital component of His earthly ministry. His deep conversation with the Samaritan woman at the well in John 4 begins with Him asking for a drink.

Maybe we, as Christians and churches, need to be looking out for more chances to start conversations, to give people the opportunity to open up about their lives. In our busy, rushing-around world, there are many people out there who are just longing for a chat...

Thank you to the ladies who worked tirelessly decorating the church and hall so beautifully for the Christmas season. ## **Mothering Sunday, the fourth Sunday in Lent,**

is the day for honouring our Mother Church, and has been celebrated since the Middle Ages.

Mother's Day is an annual day to honour our mothers, and it began in America in May 1907.

In the US, Canada, Australia and Mexico, Mother's Day is still held in May. In Britain, Mothers' Day is held on Mothering Sunday, so the two days are often merged in people's minds.

If you ask Google for ideas of how to be nice to your church on that day, you won't find much. But if you want to be kind to your mother that day, you will be spoilt for choice. High on all the lists are suggestions for taking her to lunch, giving flowers, a card, or paying for her to have a day doing something she loves.

Whatever you choose to do, probably the best thing to give your mother must surely be yourself: some time and some love. Remind her of the funny and touching stories of your childhood and thank her for all the things that she did for you. Give her some good company and show her some gratitude. Let her know that you love her and appreciate her.

Remember that the Commandment 'Honour thy father and mother' was the first commandment that came with a promise of blessing on you, if you obey.

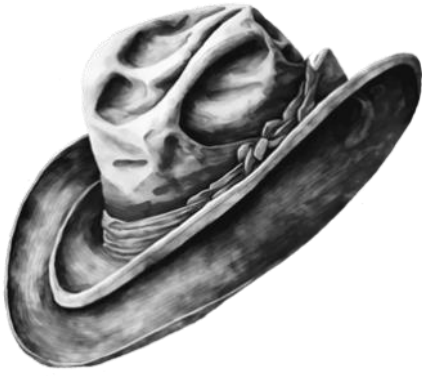

Now's the time to start preparing your garden for spring.

Clear old leaves and rake up compacted soil then add some fertilizer to replace lost nutrients.

If you forgot to plant some spring bulbs don't fret as there are plenty in the supermarkets or garden centres to add a pop of colour to your garden.

It's a good time to remove all Christmas wreaths from the graveyard too as they should be taken off before the end of February please.

# Killyman Hoedown

We would like to say a massive thanks to all involved in the success of the Killyman Hoedown held on Saturday 20th January.

Canon David McBeth and his brother Trevor, our Musicians, who entertained and kept us moving all evening

All those who prepared and decorated the hall for the occasion and took everything down again,

And finally, all our Parishioners and many friends who supported and made the evening a huge success.

Thank you All!

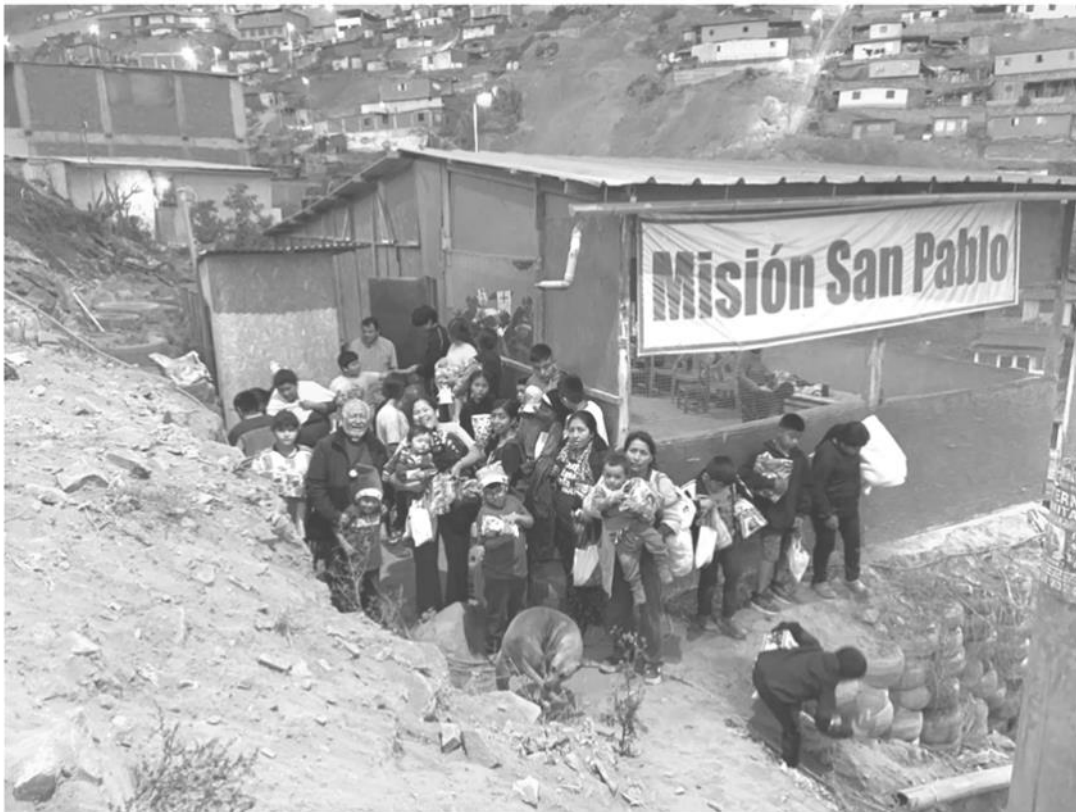

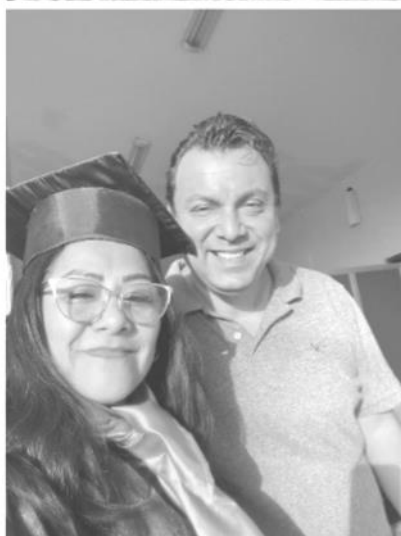

## Mission Update from PERU

Happy New year to our friends in Killyman!

As I write this, a lot has been happening with us. Ministry continues to be very busy but also a blessing! God is good! Christmas time with us was very busy at all the churches and schools. We liked to follow your Facebook posts about Mary and Joseph each day.

We are thankful for all the support we receive from the Sunday School children in Killyman and the young people were thrilled to receive the gifts at Christmas. I have included a photo of some of the young people with the teddy bears. All of the other items have been put to good use. `thanks again for all your love and prayers.

At the beginning of January, Isobel, my wife was ordained Deacon and will serve for a year as Deacon. Please pray for Isobel as she begins this new phase of ministry.  
May she always do what pleases God.

# Killyman Good Companions

*Meets from 10:30 to 12 noon in Killyman Parish Hall for  
"food, fun and fellowship". New members welcome.*

Over 50 members enjoyed a traditional Christmas Lunch of Turkey and Ham and all the trimmings followed by pudding on Thursday 7th December 2023. Following the delicious meal members moved into the Memorial Room for a short time of seasonal entertainment. Carols were sung and poems read reminding us all of the Christmas story. We are indebted to Edna Mullan who provided the musical accompaniment for our singing and Tesco who sponsored the Spot Prizes.

The first meeting of 2024 was held on Thursday 18th January when 28 members braved frost, snow and industrial action to meet together for our usual tea/coffee, scone and sweet treat. Callum Webster of the Christian Institute was the speaker and had travelled from Greenisland to be with us. Callum cited 1 Timothy Ch 2 v 1-4 as he encouraged us to pray for those in authority and highlighted two aspects of the work of the Christian Institute- Gender Ideology and also their Legal Defence Fund. Members were able to avail of a range of literature covering many other current issues.

Our latest meeting saw Mrs Kay Duffy telling us of her work in RVH Liver Disease Support.

The liver is a fascinating organ and its importance is often underrated. It's an amazing multi-tasker and **has over 500 vital jobs to do each and every day to keep you alive.** It's just as important as other organs like your heart and lungs, but they tend to steal most of the limelight.

In the UK, liver disease is on the rise. The three major preventable causes are drinking alcohol, obesity and viral hepatitis.

When it's damaged, the liver can repair itself, but only up to a point. Sadly, people with liver disease often don't have any symptoms until the disease has progressed and it's far too late for treatment. That's why it's so important to know the risk factors and to keep your liver happy and healthy for life – before long-lasting damage can occur. Take your first steps towards better liver health today.
